

The Garden Under the Reservoir

120-minute plan | 4 players | No combat

A lowering reservoir reveals a garden beneath its surface. A caretaker goes down to recover a memorial, while the water board prepares to refill.

Content notice: Flooding and memorial grief; nobody needs to enter deep water.

Use the public map and keep unrevealed cards face down. Your GM will give each card when it is discovered.

Player route map

Public route map: Reservoir rim connects to Schedule office and Dry stair; either reaches Sunken garden, then Refill valve. Routes work in both directions. Retrace the route to return. No hidden information is marked.
